SUBJECT: Amending Salary Ordinance and Transferring Funds in Traffic Engineering Department

Would you please prepare an ordinance amending the 1967 Salary Ordinance to provide for a position to be known as a "Systems Computer Programmer" in the Traffic Engineering Department of the city.

The salary for this position should be established at \$7,500 per year. It should be noted that this position is required for the processing of data, coding, and programming of a computer in the Fort Wayne-New Haven-Allen County transportation study. This is a permanent position and the person occupying it will be permanently assigned to the Fort Wayne-New Haven-Allen County Highway Coordinating Board.

Would you also prepare an appropriation ordinance transferring \$4,450 from Account No. 8-1-1211, Labor temporary, in the 1967 budget of the Traffic Engineering Department to Account No. 8-1-1111, services personal, in the same budget.

Sufficient money is in the temporary labor account to permit this transfer, and it is desirable to make the above position a permanent one. The \$4,450 will be required to pay the salary of the Systems Computer Programmer for the balance of 1967.

Yours very truly,
I. H. McKathnie
